

PLAY THE TOP-SCORING WORDS AND DEFEAT THE COMPETITION WITH THIS UPDATED GUIDE!

Increase your word power and improve your chances to win at SCRABBLE™ and other language-based games. Simply refer to this huge, comprehensive book that's now updated with all the legitimate SCRABBLE words as approved by the *Official SCRABBLE® Players Dictionary, Fourth Edition*.

Study these word lists to build your vocabulary, especially of words containing hard-to-use letters like J, Q, X, and Z; to understand different letter combinations that frequently occur; and to get more "hooks," those letters that can extend words already on the board for extra points. Review the "Cheat Sheet" to find two- and three-letter words and their hooks, as well as many more special words and letter combinations. This "Cheat Sheet" has improved the playing strength of expert tournament-level players more than any other page of words. Load up on vowel-heavy words, including ones with multiple I's and U's. Find out which short words don't take S endings and which finish in a surprise S. Then get the best of the bingos, as well as alphagrams.

Don't play a word game without referring to this indispensable book first.

"This is a terrific book for SCRABBLE players."

—**WILL SHORTZ**, Crossword Editor,
The New York Times; Puzzlemaster, NPR

"When I open the book and begin riffling the pages, I feel a pulse. It feels as if I have found the secret to SCRABBLE success. . . .

His lists were a revelation."

—From *Word Freak* by **STEFAN FATSIS**

"The Elixir of SCRABBLE . . . the Path to SCRABBLE Magic . . . 100,000 Ways to Reach the Hidden Heights of SCRABBLE Bliss."

—**JOE EDLEY**, Three-time National
SCRABBLE Champion

"The best book in the business, far better than any other book around."

—**JOHN WILLIAMS**, Executive Director,
National SCRABBLE Association
